RESPONSE TO NOTICE OF NON-COMPLIANT AMENDMENT

Sir:

This is responsive to the October 6, 2004 Communication having a 1-month term for responding that will expire on November 6, 2004. As that is a Saturday, the actual due date is Monday, **November 8, 2004**.

The Communication indicated that the amended claims set out in the September 14, 2004 Amendment were not in compliance as per the format for amended claims as set out in 37 CFR 1.121.

Applicant respectfully points out that the present application is a **Reissue**, and thus, the amended claims are indeed in compliance as set out in 37 CFR 1.173(b)(2) & 37 CFR 1.173 (d),

which are the rules for amendments in Reissues. Hence, the claims set out in the September 14, 2004 Amendment are in the proper format.

CONCLUSIONS

By the above remarks, Applicant respectfully requests that the Notice of Non-Compliant Amendment be withdrawn, and the case forwarded to Examiner Jackson.

Applicant further submits that the present application is now in proper condition for allowance and respectfully solicits official notification of allowance from the Examiner.

If a minor issue remains outstanding after Examiner Jackson has studied the September 14, 2004 Amendment, then Examiner Jackson is respectfully requested to telephone the undersigned attorney so that any such matter may be resolved and the application be placed in condition for allowance without the necessity for an Official Action.

DEPOSIT ACCOUNT

Although it is believed that no fee is due, the Commissioner is authorized to charge any deficiencies of payment associated with this Communication, or to credit any overpayment, to **Deposit Account No. 13-4365.**

Respectfully submitted,
